

One of the biggest things to accomplish other than making sure people are showing up to participate in the poker tournament is getting the sponsorships filled to to make the event a success for the Pancreatic Cancer Action Network and myself personally. There are a number of sponsorships for the event but this year I've created a smaller one that would allow a smaller business to get in front of a hundred poker players and spectators at the Charity Poker Tournament and hundreds of website visitors leading up to the event. This is a perfect opportunity to get in front of all those people for a small donation to help out a great cause and raise money for Pancreatic Cancer Research which my Dad has recently passed away from this year.

The Business Sponsorship is only a \$75.00 donation to the event. The sponsorship includes a Promotional Flier in the swag bag which can be a coupon or a special deal you want to offer all poker players at the event. Your company logo will also be placed on the website for everyone to see that you made a donation to the event.

This is an opportunity to get involved with a great cause and help raise money for Pancreatic Cancer Research. Each year about 32,000 individuals in the United States are diagnosed with this condition. The prognosis is generally regarded as poor, with few victims still alive 5 years after diagnosis, and complete remission still extremely rare. If you are interested in helping please give Neil Belliveau a call at 407-637-4852 for more information or visit Orlando All In For A Cure Charity Poker Tournament's website
